Goliath Cranes

About Us

Incepted in the year 1987, **Atlas Crane** is one of the leading manufacturers, exporters and suppliers of material handling equipment such as cranes, hoists and winches. These include **Double Girder EOT Crane, Double Girder Hot Crane, Single Girder EOT Crane, Underslung EOT Crane, Jib Crane and Gantry Crane**. Apart from this, we also offer **Single Girder Gantry Crane, Electric Hoist, Electric Winch, HOT Crane, Semi Gantry Crane, Hand Operated Jib Crane, Hoist, Winch and Container Handling Crane**.

Manufactured as per latest technology, these are appreciated by the clients for compact design, easy operation, optimum load lifting capacity, sturdy & high rigidity frame and minimum deflection. Owing to the quality, this material handling equipment is efficiently catering to the requirements of building construction industry.

We have established a modern manufacturing unit that is equipped with latest machines for the manufacturing of quality such as cranes, hoists and winches. Apart from this, we also have planetary gear drive arrangement, Anti-collision Arrangement and Remote Control operation in our unit. These facilities are utilized for modernization, capacity enhancing, retrofitting with micro speed and servicing of Cranes, Winch Hoists & Gear Boxes. Further, to ensure that we market only quality equipment, our quality controllers conduct various quality checks. We also have an in- house testing facility of up to 25 tones, which allows to...
